

Comprehensive Arkansas Higher Education Annual Report

December 1, 2009

Act 970 of 2009 Report on Remediation

Arkansas Department of Higher Education

114 East Capitol, Little Rock, Arkansas 72201

Remediation Rates

Traditional Rates (ignores high school graduation date) may also be called the Anytime Rate

Traditionally, the Arkansas Department of Higher Education has determined remediation rates by using a percentage calculation consisting of a numerator and denominator. To be counted in the denominator the student would need to meet these criteria:

1. Be a First-Time Entering Student (regardless of when they graduated high school);
2. Seek an Associate or Bachelor's degree (certificate-seekers are not counted); and
3. Take one of the approved exams (ACT, SAT, Asset, or Compass) in the subject of math, English, and/or reading.

To be counted in the numerator the above group of students would be filtered for these factors:

4. Students that score less than 19 on the ACT (or the equivalent score on a comparable test); and
5. Students that were placed in remediation.

Two-Year Rates – Act 970 of 2009

Act 970 of 2009 required ADHE to calculate a remediation rate based on students that have attended college within two (2) years of high school graduation.

Students who required remediation during their first year of enrollment in a state-supported institution of higher education if the enrollment occurred within two (2) years of graduation from a secondary school in this state.

This new rate is posted online as part of the Comprehensive Annual report. The Act 970 Remediation Rates will be updated with the most current data by Dec. 1, 2010.

One-Year Rates

Based on legislative requests, ADHE has completed remediation rates based on students that have attended college within one (1) year of high school graduation. These reports are attached.
