### **MEMORANDUM**

TO: Chief Fiscal Officers  
FROM: Nick Fuller  
DATE: August 31, 2020  
SUBJECT: Biennial Request Forms

The **Biennial Request Legislative Forms, instructions, and examples** to be completed and submitted to this office by **Tuesday, September 15, 2020**, can be accessed at the following link:

[Biennial Request Legislative Forms](#)

These forms will make up the A-Book (General Revenue Recommendations for the 2021-23 Biennium), and will be submitted to the Legislative Council for the institutional budget hearings in October. It is critical that these forms be completed by **September 15<sup>th</sup>** in order to publish the budget books in a timely manner. The Position Usage form, which is also included, should be submitted by **September 16<sup>th</sup>**.

Please proofread your forms carefully and make every effort to meet the submission deadline. In the past, errors have ranged from relatively minor things like incorrect appropriation numbers (at the top right of the forms) to the more serious failure to include an entire appropriation in an institution's submission.

**Remember that the Appropriation Act Forms (BR-3 & BR-4) play a large role in determining your institution's appropriation levels for the next biennium. For this reason, it is in the best interest of the institution to pay very close attention to these submissions.** A separate appropriation act form must be completed for every appropriation (general revenue and cash) your institution has.

If you have any questions while completing the forms, please contact the Institutional Finance Officers at ADHE (See contact information below). Instructions for completing the forms follow.

The Special Language forms are due under separate instructions and Legislative Audit will provide your institution's most recent Audit Findings.

- "Other State Funds" can include General Improvement Fund (GIF) monies *appropriated for operating purposes* and Higher Education Tuition Adjustment Fund reimbursements. GIF should be the actual disbursed monies. Tobacco settlement funds should be reported on the separate line provided for that purpose. Please provide footnote with sources.
- WF2000 and EETF should remain the same for 2020-2021 (budgeted), 2021-2022 and 2022-2023.
- Under the INSTITUTIONAL REQUEST / AHECB RECOMMENDATION columns for 2021-2022 and 2022-2023, the sum of the amounts entered for General Revenue, EETF, and WF2000 should equal the amount that appears on the Total Recommendation column of the AHECB Operating Tables for the appropriate year (the recommendation will be the columns shaded in GREEN and BLUE)

### **Form BR-3 (Appropriation Act Form – State Treasury)**

- This form should contain **at the least** all line items currently listed in your appropriation act. Additional line items may be added in the recommended column if necessary
- A form is **required for every operating appropriation** from the State Treasury currently existing for your institution. Contact an ADHE Institutional Finance Officer if you are unsure whether or not to include an appropriation
- Ensure your State Treasury AASIS Fund Code is on the “Fund” line and your Appropriation Code (Fund Center) is on the “Appropriation” line at the top of the form
- “Other State Treasury Funds” should include Higher Education Tuition Adjustment Fund reimbursements, but should NOT include GIF
- Authorized Appropriation 2020-2021 column should be the appropriation contained in your current Appropriation Act

Use the number of positions in your current Appropriation Act (plus any central pool positions that may have been added during the 2019-2020 biennium) for the “Authorized” column. The number in the “Requested” column for **Regular Positions** should be the number requested in your Personal Services Requests that were sent to ADHE and OPM. The number for **Extra Help** should be the same for each year of the biennium because these positions are authorized for the biennium rather than for each year.

**TO REQUEST ADDITIONAL EXTRA HELP:** The “Requested” number should be the total of Extra Help positions to be paid from general revenue and cash in your appropriation.
