**Notes:**

SREB defines mandatory fees as those fees assessed each full-time undergraduate or graduate student regardless of student level or program study. For example, fees charged only to students in music, lab, or nursing or other fees unique to a given situation such as late registration and parking decals should NOT be reported as mandatory fees. Further, SREB defines full-time for purposes of tuition calculation as **15 credit hours for undergraduate and 12 credit hours for graduate/professional**. If mandatory fees were in a structure such as technology fees by discipline, then the discipline was used that would reflect the typical student.

\*For UAF, WCOB is Walton College of Business. For UALR, COB is College of Business and EIT is Engineering and Information Technology College.

<sup>1</sup> Technology (TELE) fees were computed by using the Arts & Sciences ratio for undergraduates and graduates.

<sup>2</sup> Definition of full-time for purposes of tuition calculation is 12 credit hours for a student enrolled in UAMS's undergraduate nursing program and 9 hours for a student enrolled in UAMS's graduate nursing program. Full time for the MHA Program is 9 hours.

<sup>3</sup> Because tuition revenue for the Walton College MHA Program in the College of Public Health is collected on the University of Arkansas at Fayetteville campus, and not by the UAMS College of Public Health, it has been removed from this schedule. UAMS is compensated for its participation in the Walton College EMBA program through a Memo of Understanding between the two institutions. Revenue flows to UAMS through billings done by the UAMS Contracts Office and posts as contract revenue, not as tuition revenue.

**Note:** SREB defines mandatory fees as those fees assessed each full-time undergraduate or graduate student regardless of student level or program study. For example, fees charged only to students in music, lab, or nursing or other fees unique to a given situation such as late registration and parking decals should NOT be reported as mandatory fees. Further, SREB defines full-time for purposes of tuition calculation as **15 credit hours for undergraduate and 12 credit hours for graduate/professional**. If mandatory fees were in a structure such as technology fees by discipline, then the discipline was used that would reflect the typical student.
