

# COREQUISITE ENGLISH WORKSHOP

**APRIL 4 • 9AM - 4PM**  
**UNIVERSITY OF CENTRAL ARKANSAS**  
**STUDENT CENTER ROOM 203**  
**201 DONAGHEY AVENUE**  
**CONWAY, ARKANSAS**

When fully scaled, Corequisite Support is a strategy that can dramatically increase the percent of students who complete college-level English in the first academic year. In this workshop, learn how to scale Corequisites, evaluate current placement practices and improve curriculum and instruction in college-level English.

Institutions are encouraged to bring teams of 3-5 people that include deans, English department chairs, faculty members, and other institutional stakeholders responsible for scaling Corequisite English.
