If you click on the Series 30-1 Report, you will be able to see the data in a report view. The report view will be helpful once you enter all of your scholarship data. At the top of the page is a navigation bar that allows you the options of going to the next page of the report, saving the report to your computer or printing the report (if you are using any web browser other than Internet Explorer, ex: Google Chrome or Firefox, you will not see the print icon. You must first download/save the report to your computer, then you will be able to print the report).

At the bottom of the page click on Close Report to close this view.

You will then be taken back to the page where you can add new scholarships by clicking on the Add New Scholarships tab to the far left of the screen.

You will repeat these steps until you have entered all of your institution's scholarship data.

When you have completed entering your data and have reviewed your information in the "Series 30-1 Report" format, please hit the logout button.
