

Academic Program Proposals for October 28, 2016

The following is a list of academic program proposals being reviewed for possible considered for approval at the October 28, 2016, Arkansas Higher Education Coordinating Board Meeting.

The Institution's Name, Program Title, and Program Summary are listed below. Contact ADHE for a copy of the proposals.

If you have concerns, objections, questions or comments concerning a specific proposal, please send them to **Ann Clemmer, Senior Associate Director of Academic Affairs** (Ann.Clemmer@adhe.edu) at ADHE no later than **September 2, 2016**.

East Arkansas Community College Certificate of Proficiency in Equine Science

The Certificate of Proficiency in Equine Science will provide students with the basis theory and hands-on training for horse-related opportunities in riding and training. In addition, it will allow students with horse experience to further enhance their knowledge in equine science for personal enrichment as well as enhance basic skills necessary for potential careers and related occupations in the equine field.

Technical Certificate in Equine Science

The Technical Certificate in Equine Science will build upon the introductory skills gained in the Certificate of Proficiency in Equine Science by providing additional academic theory and general education courses.

Henderson State University

Bachelor of Science in Education in Computer Science and Business Technology Education

The Bachelor of Science in Education in Computer Science and Business Technology Education is designed to prepare students for teacher licensure in grades four through 12. Graduates will be licensed in the fields of Computer Science and Business Education.

University of Arkansas, Fayetteville

Doctor of Occupational Therapy

The College of Education and Health Professions at the University of Arkansas, Fayetteville (UAF) and the College of Health Professions at the University of Arkansas for Medical Sciences (UAMS) propose the development of a post-baccalaureate education program leading to a Doctor of Occupational Therapy (OTD), to be jointly located at the UAS and UAMS Northwest campuses in Fayetteville, Arkansas. The proposed OTD program will prepare graduates to secure positions as expert clinicians or emerging practice areas, as contributors to clinical research teams, as administrative leaders within health care organizations and as faculty in OT education programs.
