(Little Rock) - The Arkansas Natural Resources Commission announced today approval of a grant, in an amount up to \$32,000, from the Water, Sewer and Solid Waste Fund to the town of Wabaseka (Jefferson County), according to Commission Chairman Fred Fowlkes. Approval is contingent upon the town establishing and maintaining a 6% depreciation reserve fund.

"These funds will be used for the emergency installation of a new well pump and will serve 127 customers," said Mark Bennett, ANRC Water Development Division Manager.
