(Little Rock) - The Arkansas Natural Resources Commission announced today, approval of a loan in an amount up to \$1,600,000 from the Arkansas Clean Water State Revolving Loan Fund to the city of Flippin (Marion County), according to Commission Chairman Fred Fowlkes. The loan repayment schedule will not exceed 20 years. The Executive Director will set the combined annual borrower rate and loan terms. Approval is contingent upon the city establishing and maintaining a 3 % depreciation reserve fund.

"The funds will be used to rehabilitate an existing lift station, new bar screen, one new clarifier, sand filter bed rehabilitation and manhole repairs. These improvements will serve 548 customers," said Mark Bennett, ANRC Water Development Division Manager.
