

Arkansas Appraiser Licensing and Certification Board Schedule of Approved Continuing and Qualifying Education, Updated March 23, 2021

STOP! READ HERE FIRST!

Instructions and Notes:

This list covers all continuing education and qualifying education courses approved by the AALCB¹.

Arkansas appraisers must select courses from this list for continuing or qualifying education requirements.

Please note: Approval of a course expires two (2) years from the approval date shown OR with the expiration of any IDECC approvals (online courses only), whichever is first. Approval and expiration dates are MONTH-YEAR.

CE= Continuing Education

QE= Qualifying Education

Any courses that have expired (either by date or IDECC approval) will be marked through.

For questions, please contact AALCB at 501-296-1843

¹If a course is taken that is not on this list it must be submitted for individual approval per person. You must send in a completion certificate, timed course outline and course description. The course will then be submitted at the next board meeting for consideration. If it is an online course, you must submit the IDECC certification.

APPROVED ONLINE COURSES

***If the IDECC approval has expired the course is no longer valid, please ensure you are checking the IDECC expiration before taking the course, if it has expired it will not count towards CE/QE. The courses that have been stricken will not be accepted unless IDECC renewal can be provided by the course provider.**
