

Municipal Vehicle Program

Effective January 1, 1982

As Revised July, 2016

Part I. Liability

1. Payments by Program

- A. During the term of this Program and subject to terms of this agreement, the Program may pay all sums the municipality legally must pay as damages because of bodily injury, death or property damage to which this agreement applies involving a covered municipal vehicle and for which the municipality is liable under Ark. Code Ann. § 21-9-303, (hereinafter sometimes referred to as “damages”).
- B. During the term of this Program and subject to terms of this agreement, the Program may pay all sums any employee legally must pay as damages to which this agreement applies involving a covered municipal vehicle operated with authorization and direction from a city official or management to operate said motor vehicle or mobile equipment. Each authorized person operating a vehicle of a member municipality must have a valid driver’s or commercial driver’s license.
- C. The limit of payment by the Program is as follows: \$25,000 because of bodily injury to or death of one person in any one accident and subject to said limit for one person, \$50,000 because of bodily injury to or death of two or more persons in any one accident and \$25,000 because of injury to or destruction of property of others in any one accident (the foregoing limits of payment are hereinafter referred to as “payment limits”).
- D. The Program has the right to settle and pay any claim or suit as the Program Administrator considers appropriate and payment of the payment limits ends the duty to defend or settle.

constitute its agreement to and the acceptance of the provisions of this agreement.

3. Out-of-State Extension

While a covered municipal vehicle is in a state outside the State of Arkansas, the payment limits for that vehicle will be the greater of the payment limits included herein or those specified by compulsory or financial responsibility law applicable to a municipality in the jurisdiction where the covered municipal vehicle is being used. Such payment limits in a state outside the State of Arkansas will provide the minimum amounts and types of other coverage’s including No Fault that are required of out-of-state vehicles by the jurisdiction where the covered municipal vehicle is being used. However, the Program will not pay anyone more than once for the same elements of loss because of this extension.
