

# REQUIRED POSTINGS FOR ARKANSAS MUNICIPALITIES AS EMPLOYERS

**Arkansas Municipal League  
Updated October 2015**

Disclaimer: The following information is taken from the Arkansas Department of labor website ([www.arkansas.gov/labor](http://www.arkansas.gov/labor)). However, to specifically address municipalities as employers, any posting requirements unrelated to governmental or municipal entities have been omitted. Further, some of the language may differ from the original source as it was deemed necessary to reflect the focus on municipalities as employers.

The following is a list of required State and Federal employee notices. The list includes the notice to be posted, employers who are required to post the notice, and information on how to obtain the notice. All posting requirements must be posted in a conspicuous place so as to be accessible to all employees. Failure to post notices can result in stiff penalties and possible fines. Employers who are not sure who they are covered under can contact the U.S. Department of Labor at (501) 324-5292 or the Arkansas Department of Labor at (501) 682-4500.

You may download all required posters by clicking on the appropriate links below. Please download posters on legal size paper for reading clarity.
