Name/Title: _____

Address: _____

Phone Number: _____ Fax Number: _____

Email Address: _____

Other than the Help America Vote Act of 2002 requirement of at least one (1) voting machine accessible to voters with disabilities at each polling place, describe the auxiliary aids and services provided for voters with disabilities. For example, magnifying devices, a pencil and notepad for the hearing or speech impaired, an election official to assist voters who request assistance, or the county's training efforts relating to sensitivity to individuals with disabilities.
