About the Event

Our agency, formally the Arkansas Department of Rural Services, merged with the Arkansas Economic Development Commission (AEDC) on July 1, 2015. We are thrilled to join forces with AEDC to further economic development throughout the state. Together, we can provide rural Arkansas with the best resources possible.

In 2015, the Arkansas Rural Development Conference had more than 600 attendees. Mayors, county judges, legislators, state and federal officials, and community leaders all participated in this three day event. The objective of the Arkansas Rural Development Conference is to provide participants with the opportunity to gain a working knowledge of the programs and services available to assist communities with development, planning, and revitalization efforts. AEDC Rural Services and the Arkansas Rural Development Commission are committed to providing the most up-to-date information in a relaxed environment conducive to learning and sharing.
