Old Business:

Shamrock Park Update. Mayor Kemp stated the shade structure has arrived and we are waiting for installation.

Property Acquisition Update. Mayor Kemp informed the council that the matter is still pending. The offer is still pending and waiting to hear from the realtor.

New Business:

1. **Sidewalk Grant-Ordinance 2018-04.** Ordinance 2018-04 was presented to the council and read by Mayor Kemp. The mayor noted this grant applies to a sidewalk in front of Davis Elementary. In total, there are four separate grants regarding sidewalks, one of which applies to sidewalks on Donnie and Joan Drives, and one being held up by the Hall descendants not cooperating with the city regarding easements. After discussion,

Alderman Bennett made a motion to accept, and Alderman Hatcher made the second. The motion passed unanimously.

2. Arkansas Heritage Month Proclamation. As May is Arkansas Heritage Month, Mayor Kemp asked the council for a vote of support. Alderman Hatcher made a motion to support this recognition, Alderman Anderson provided the second, and the issue passed unanimously.
3. Planning Commission-Resolution 2018-05, Confirming Planning Commission/Board of Adjustment Appointments. The resolution was read by Mayor Kemp; and after discussion, Alderman Hatcher made the motion to accept. A second was provided by Alderman Frala, and the motion passed unanimously.

Other Business:

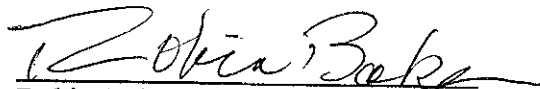

Due to parking issues in the city discussed in prior meetings, the council reviewed Ordinances 81-12 and 83-16. It was agreed that the council would give the ordinances a chance to work and will vote to increase the fines if necessary.

Alderman Kandlbinder stated that driving on Emerald Mountain was getting out of hand due to speeding, ATVs, and motorcycles. He asked the council to consider changing the speed limit from 25 to 20. The council discussed several options to alleviate the issue including targeted enforcement, changing certain roads to fire lanes, and no tolerance for any violations specifically on Skyline Drive, however, no motions regarding this issue were requested.

There being no further business brought before the Council and no comments from the floor, Alderman Frala made a motion to adjourn, seconded by Alderman Kandlbinder. The motion passed unanimously, and the meeting was adjourned at 7:50 p.m.

Immediately following the meeting Mayor Kemp administered the Oath of Office for Keith Andrews as a member of the Planning Commission/Board of Adjustment, after which the council members dispersed for the evening.

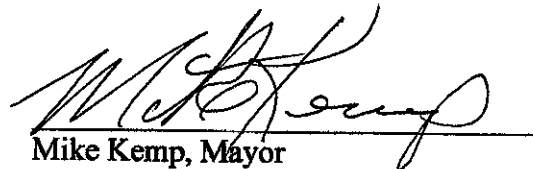

Respectfully submitted,

Robin Baker, Recorder
