Partner-up with the Arkansas Spinal Cord Foundation!

Help Arkansans with SCI Disabilities

Help us meet the demands and needs of those living with spinal cord injuries and disabilities (SCI/D).

Our annual fundraiser is a fun, yet competitive trap shoot at the Arkansas Game and Fish Shooting Complex in Jacksonville. The trap shoot attracts all types of shooters statewide, including those with disabilities.

We encourage your participation in ‘Shooting for a Cause’ trap shoot to help support ASCF’s mission and also the day-to-day operations to serve over 2,500 children and adults with SCI/D.

Why ‘Shoot for a Cause’?

You will help ASCF to improve the quality of life of children and adults with spinal cord injuries and those who live with challenges associated with the birth defect spina bifida and diseases such as multiple sclerosis, ALS and spinal spondylitis.

Your participation will help us continue to provide an array of services, supportive and preventive programs, and supply much needed durable medical equipment. Listed below are just a few of the things we have provided:

- Specialized wheelchairs & cushions
- Assistive technology equipment
- Specialized beds, air mattresses
- Education in self-care management
- Portable ramps, permanent accessible ramps
- Scholarships
- Vehicle donations, modifications
- SCI healthcare education for physicians

The Arkansas Spinal Cord Foundation (ASCF) is a nonprofit organization as described under section 501(c) (3) of the Internal Revenue Code and is tax deductible. The ASCF tax ID is 20-1492704.
