Thank You FOR REPORTING!

Violation Complaint Reports are recorded by ASCC's Accessible Parking Task Force, then forwarded to the appropriate law enforcement agency.

All recorded incident data is collected to further the cause in advocating Arkansas Laws, educating those with parking privileges and those that continue to violate the rights of Arkansans with disabilities.

ASCC and its collaborating partners from state agencies, disability organizations, law enforcement agencies, concerned citizens, and those with disabilities are working together to catch violators and encourage education about accessible parking laws!
